Making work life, work better

The screenshot displays the learnamp.com website interface. At the top, a purple banner features the text "WE CONNECT WITH YOU" and a circular image of two people in a meeting. Below the banner, the main content area is divided into several sections:

- Featured video:** A video player showing a woman smiling, titled "Company CEO Welcome".
- Upcoming events:** A list of events including "Monthly Social" (28 September 2022 4:30pm) and "Friday Fun" (30 September 2022 3:30pm).
- My learning journey:** A grid of learning modules with progress bars, including "Goal & objective setting", "Principles of Leadership", "Giving and receiving effective feedback", and "Running effective appraisals".
- Summary statistics:** Three cards at the bottom showing "Total shares" (794), "Total discussion posts" (45), and "Learner added items" (17).

Let's face it, L&D have a difficult job right now.

You're tasked with solving complex performance problems whilst upskilling and reskilling entire workforces.

All with diminishing resources.

But what if things could be different?

Learn Amp can be your strategic partner.

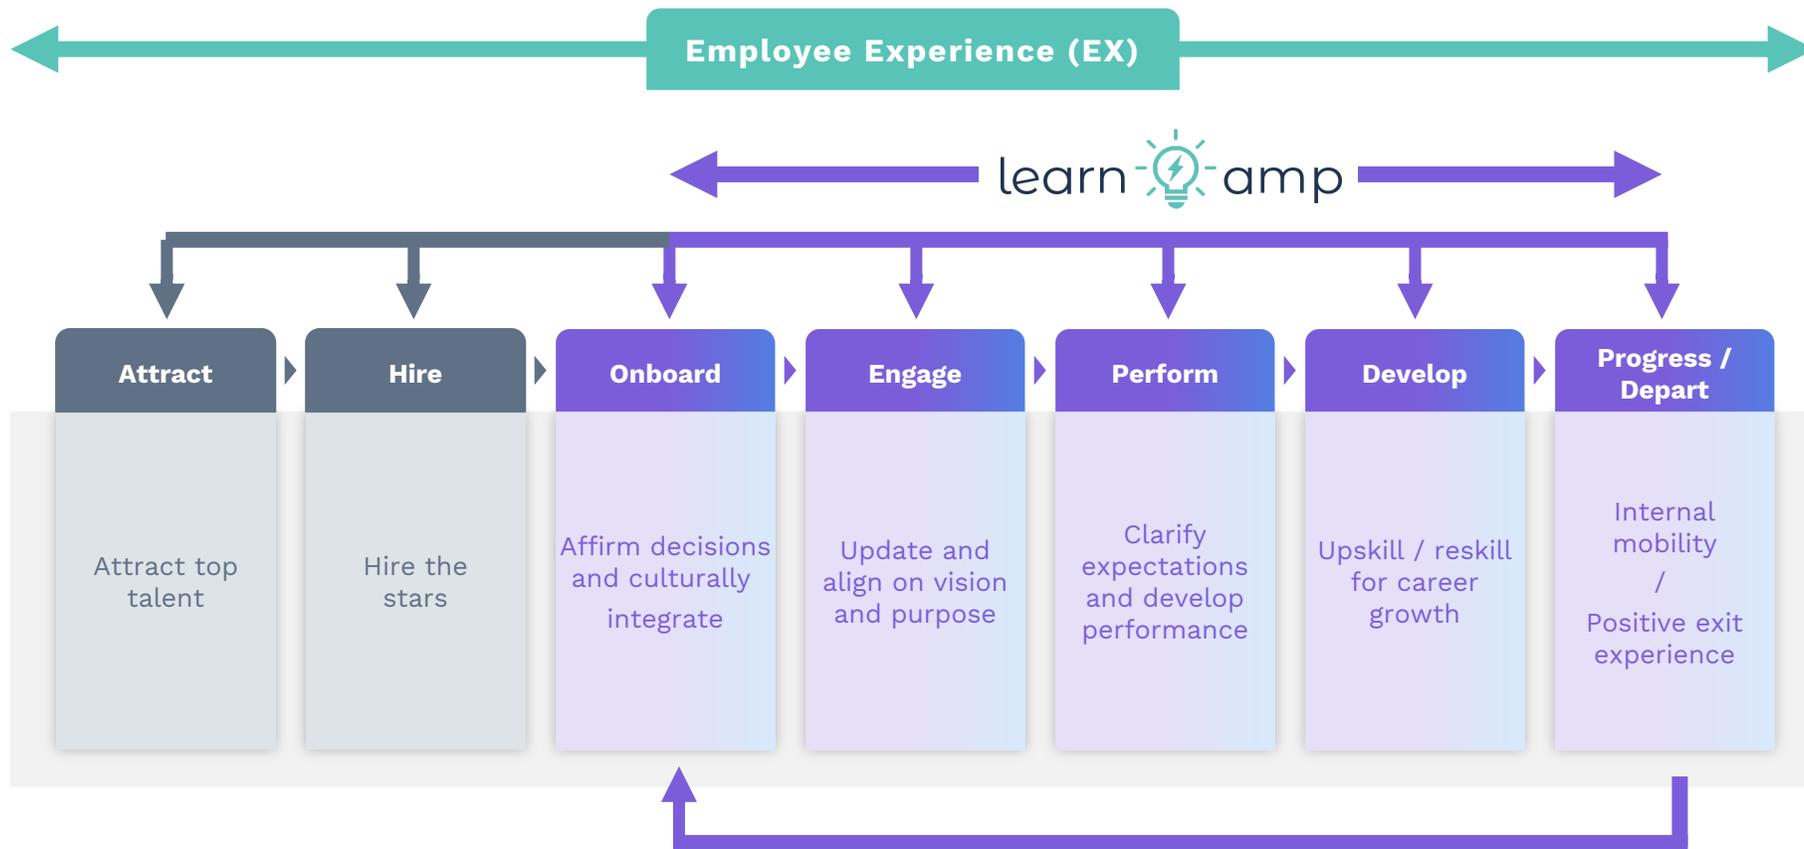

The complete People Development Hub that weaves together learning, community, and talent development to power performance.

Enabling you to balance people-led with company-led learning, and align individual progression with collective goals.

Together we can help your people to perform better, and progress further.

Enhance and simplify Employee Experience

From pre-boarding through to progression. Consolidate solutions and benefit from weaving learning, collaboration, skills and performance development together, all in one place.

Increase Employee Lifetime Value

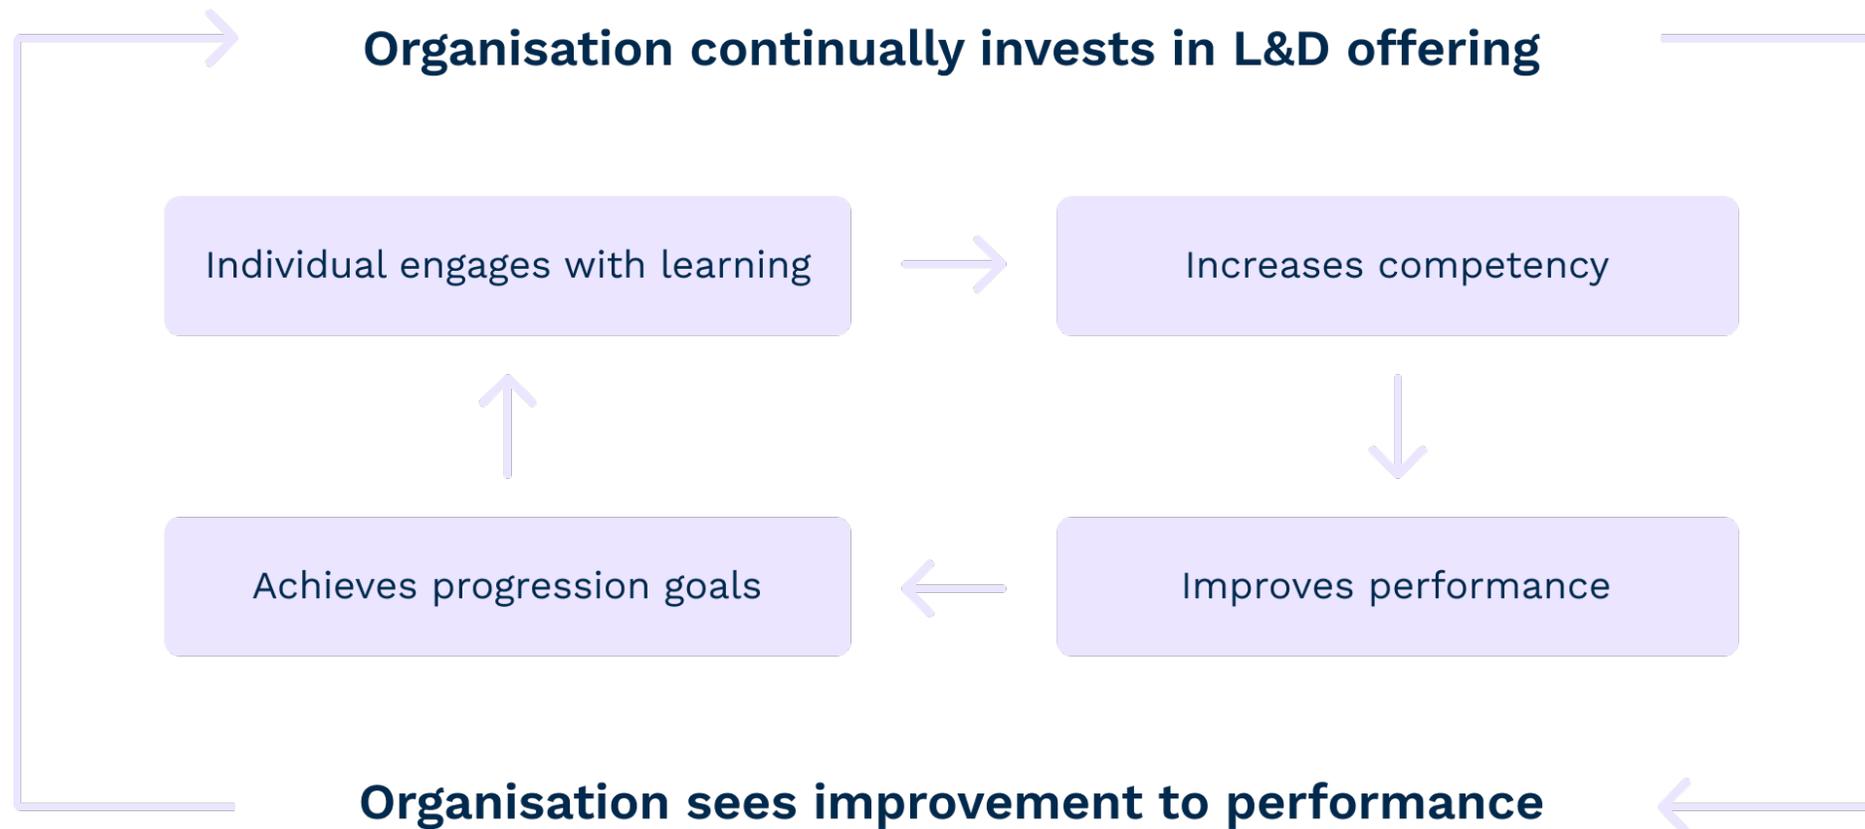

The key metric that measures the impact of improved Employee Experience (EX).

ELV represents the business impact that attracting, developing and retaining top talent can have.

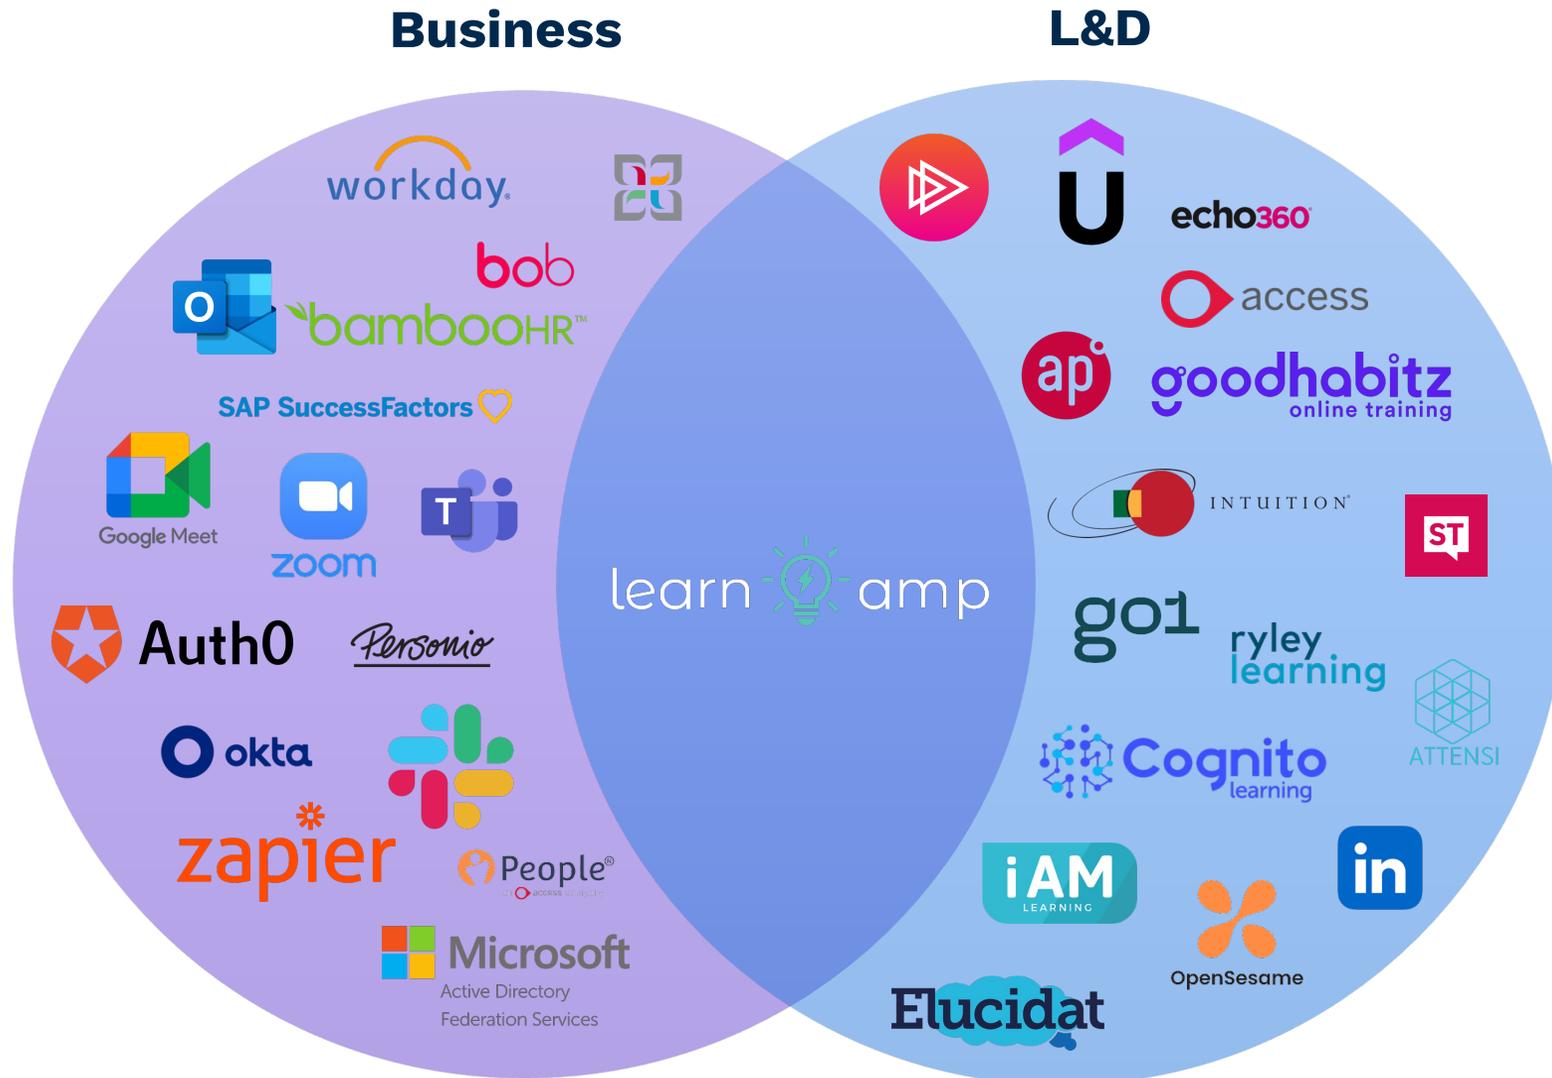

Drive sustainable individual and business growth

There is a virtuous and continuous cycle of value that comes from linking the core pillars of learning, development, performance, and progression in one interwoven ecosystem.

Integrate your ecosystem

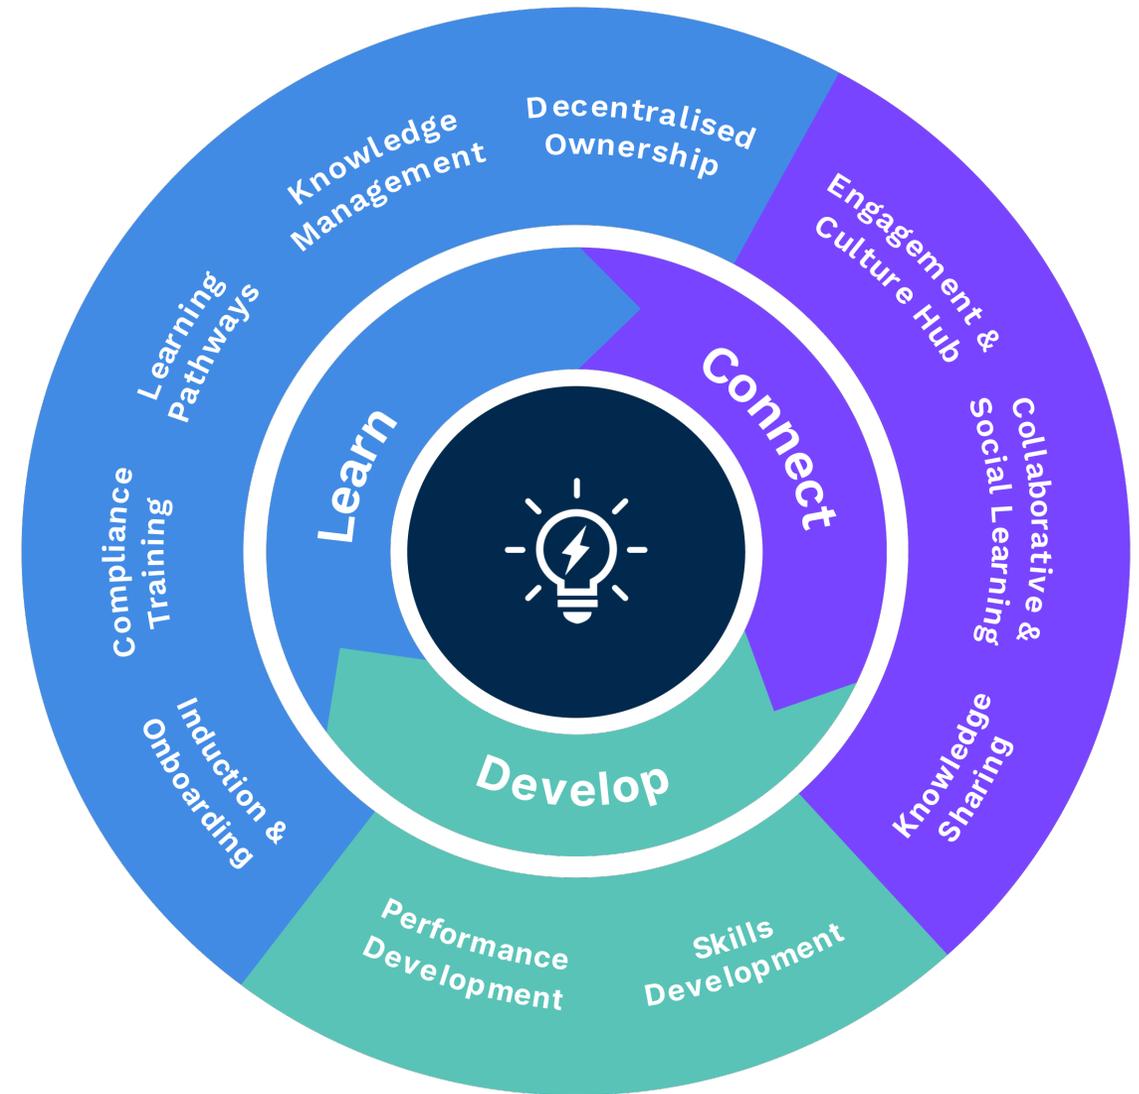

Clean up your tech stack with a best-of-breed integrated hub

Learn Amp seamlessly weaves...

- ✓ LMS,
- ✓ LXP,
- ✓ Community,
- ✓ Skills,
- ✓ and Performance

...tools into one unified **People Development Hub**.

Helping your people to **learn, connect** and **develop** at every stage of their employee journey.

A platform that scales with you

We provide simple and fair packaging that scales with you. Start with Learn and build your bespoke hub as you add in our additional modules and optional extras when you need them.

A platform that meets you where you are in your journey, whilst future proofing your needs.

LEARN

Deep and aligned learning

Create learning experiences your people will love with combined LXP and LMS tools.

CONNECT

Collaboration and community

Drive engagement and results through collaborative learning and knowledge sharing.

DEVELOP

Skills and performance development

Create a virtuous cycle between learning, development, performance and progression.

Optional extras

Pick and mix from our extensive additional platform, ecosystem, and service extras!

CPD Management

Track progress and make auditing easy; everything you need to administer and report on CPD attainment requirements.

Custom Domain Name

Use a custom domain to match your brand, including website URL and notification emails.

Multi-account Architecture

Easily manage multiple brands or customer, partner and employee platforms.

Internationalisation

Deliver learning in the languages your people speak with auto-translated UI and easy management of multi-language content.

eLearning Libraries

Work with our team to source the best eLearning libraries from expert providers including Go1, Udemy, Access Group and iAM Learning.

Advisory Services

Work with trusted external consultants and practitioners who can help you in selecting, implementing and managing L&D and talent development solutions.

Additional value. Wrapped in. Always.

Your Platform, Your Brand

Easily and instantly customise the look and feel of your platform with dashboards, logos, banners, colours, and more.

Off-the-shelf Smart Integrations

Seamlessly connect to your ecosystem. 100s of integration possibilities covering the tools you love.

Curated Content

Access to 6000 open-source resources, 100s of microlearning videos from Mi-Crow, and 25 courses from Go1.

Testing & Training Account

Access to a complimentary Learn Amp account for testing and training purposes.

24/7 Technical Support

Accepting queries round-the-clock, our Technical Support team have been rated the best by users on G2.com.

Unlimited Admins

With roles spanning Learner, Coach, Reporter, Admin, and more. You decide who has what role. No caps. No limits. No additional charge.

Customer Success Manager

Customer Success will be on hand throughout your entire contract as you launch, land and expand your platform.

Customer Education and Community

Access a self-serve library of best practice tutorials and thought leadership. Alongside regular newsletters, drop-in sessions and roundtable events.

Fair Licensing

Your licenses won't activate until your Go Live Date, meaning you won't be paying for your users until you are ready to invite them to join the platform.

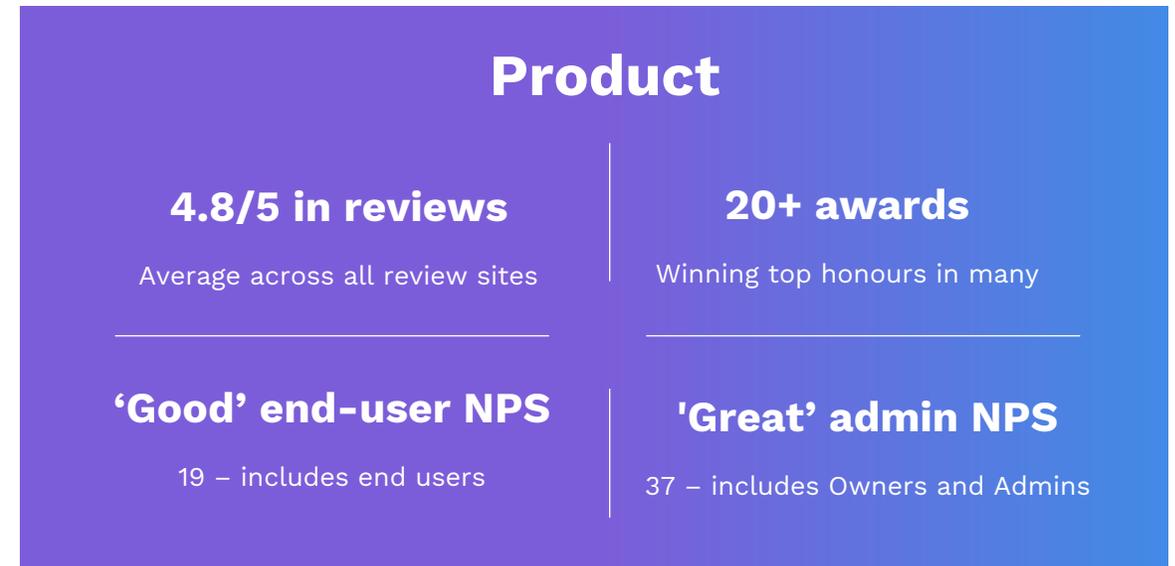

Success = software *with* a service

Technology on its own is not a silver bullet.

Success comes from a well-crafted strategy, driven by evidence-based decisions and a deep understanding of how to get the most from the tools you use.

We are industry experts with backgrounds in learning and talent development.

You are experts in your business and problems. Together we can partner for success.

Proud to be a B Corp

There's great synergy between what the B Corp movement represents and Learn Amp's values of **innovation, impact, integrity and Ownership**.

In 2021 we became the **World's 1st LMS/LXP B Corp business**.

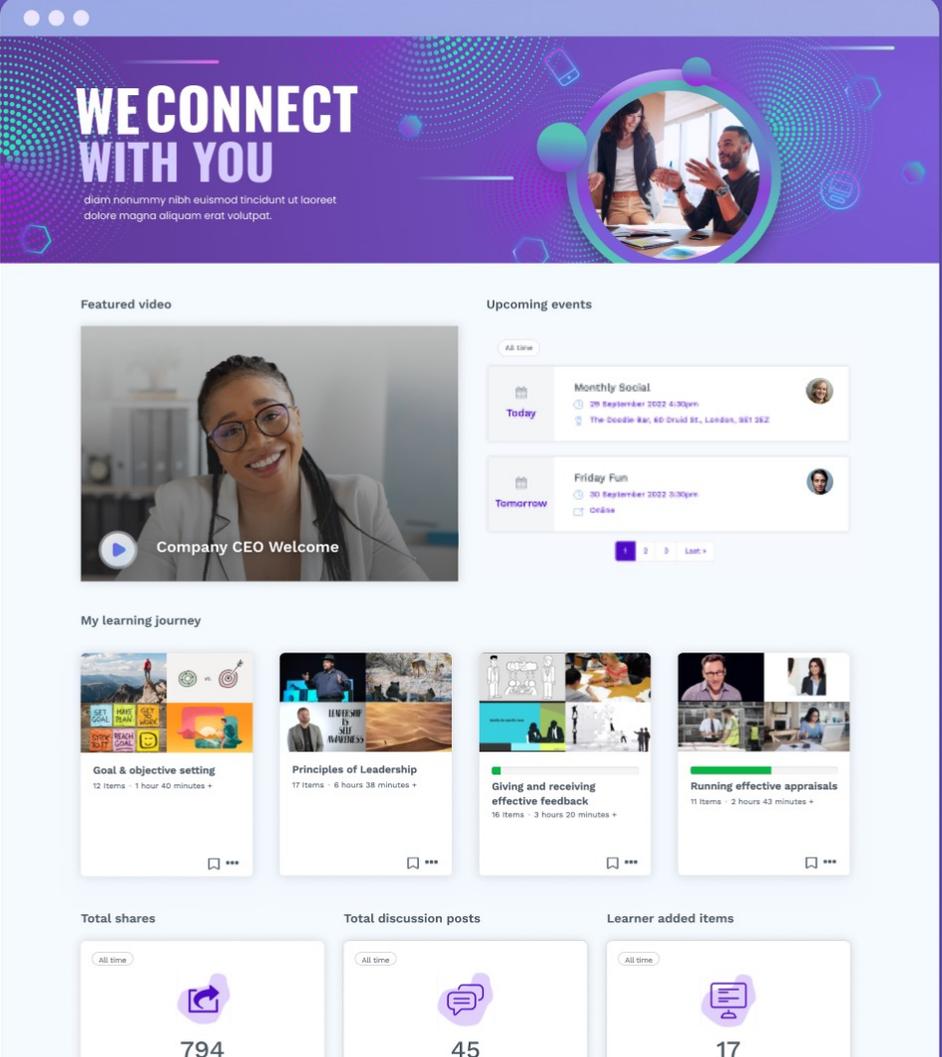

Our People Development Hub is designed to deliver a **specific, positive impact**. We help people and organisations learn, connect, and develop to make work life, work better.

As a certified B Corp, we **meet the highest standards**.

From product quality, ethical marketing, data privacy and security to feedback channels, we're serious about **corporate social responsibility** and act with integrity.
